

Application for 2022 PS-SEPM Undergraduate Research Grant

The goal of this program is to provide funding for undergraduate students who are working on sedimentology/stratigraphy related projects 1) at universities within the Pacific Section and/or 2) working on projects within the geographic extent of the Pacific Section (CA, OR, WA, AK, HI, NV, AZ). Students may request up to \$250 to help fund research related field and/or lab work. Students are encouraged to present their research at the annual PS-SEPM/PS-AAPG conference.

In order to apply, the form below must be filled out in full, including a summary of the project and its importance. Applications must be submitted to PS-SEPM Awards Manager Dan Sturmer by email (Daniel.Sturmer@uc.edu) no later than 11:59 pm Pacific time on Wednesday, February 1, 2022. Grant awardees will be notified in February 2022. Please contact Dan Sturmer if you have any questions.

Name of student: _____

Student e-mail: _____

Name of advisor: _____

Advisor e-mail: _____

Advisor phone number: _____

Advisor Signature: _____

University: _____

Project title:

Student anticipated graduation date: _____

Please complete the following sections

1. Total amount requested (max \$250)

2. Summarize the goal of the research and the hypothesis being tested (150 words max)

3. Summarize your research plan and how the proposed research will test the hypothesis/answer the questions asked above (max 250 words).

4. References cited in the proposal

This form should be returned to Daniel.Sturmer@uc.edu no later than **11:59 pm Pacific on Wednesday, December 1st, 2021**
